#### Selected Medical Care Expenses at First/Return Visits

If you do not have a referral letter, you are obliged to collect the selected medical expenses at the time of your first or re-examination at a regional medical support hospital (this applies to our hospital).

\* Due to the revision of medical fees, the amount will be changed to the following from October 2022

[At the first visit] When you see a doctor without a letter of introduction

Medical: 8,800 yen (tax included)

Dental: 5,500 yen (tax included)

[At the time of a follow-up visit] When the patient visits our hospital even though our hospital has requested that the patient be referred to another medical institution

Medical department: 4,400 yen (tax included) \*each visit

Dentistry: 2,090 yen (tax included) \*each visit

However, this does not apply in the following cases

\*When visiting the hospital by ambulance

\*When receiving medical treatment for a specific disease or disability as a recipient of the public expenditure system

\*If you are receiving medical assistance under the Public Assistance Act.

\*If you have been instructed to undergo a detailed examination or treatment for a specific health checkup or cancer screening, and have a report of the results (within 6 months after the examination).

\* In the case of work-related accidents, public affairs accidents, and traffic accidents.
